# DRAMA

The story of a great love that began,  
which never got a continuation in life,  
but became the main one in the lives  
of both.

NY

A young girl Bella, who has just defended her doctorate in medicine, enjoys a lot of attention from the opposite sex. Thanks to a random request from his girlfriend, to meet Alex and Lisa who had just arrived in New York. He meets Victor, a mathematician who is losing his sight very quickly, despite the tragic events, Victor becomes the main man in the life of young Bella, and despite the fact that their last meeting was several decades ago, she continued to love him all her life.

# LOVE

A young girl, Bella, promised to meet her friend's uncle at the airport, the first meeting turned out to be very awkward. A handsome adult male scientist losing his eyesight and a young impressionable girl.
